

5th ETERNAL HEART CONCLAVE, 2023

Saturday, 11th & Sunday 12th February 2023

Venue: Hotel Marriott, Ashram Marg, Jaipur

UNIQUE EDUCATIONAL
EXPERIENCE

ETERNAL HOSPITAL

3A Near Jawahar Circle Jaipur (Rajasthan) 0141-5174000, 2774000

Dear Doctor

Greetings !

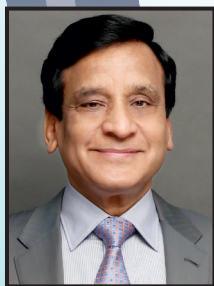

Eternal Hospital, Jaipur, along with its world-class infrastructure and an elite clinical team, is not only committed to providing ethical, advanced, and state-of-the-art medical care to the patients but also to spread the wisdom of medical sciences to the clinical experts and general population alike.

As part of this endeavour, we will be hosting the fifth Eternal Heart Conclave (EHC) in 2023 in collaboration with our knowledge sharing partner, Mount Sinai Hospital in New York, U.S.A.

This conclave has been designed to update the physician and cardiac science communities about advancements in the field of cardiovascular medicine. Five eminent international faculties from the USA Dr Samin K. Sharma, Dr Deepak L. Bhatt, Dr Raj Makkar, Dr Robert S. Rosenson and Dr Sean Pinney, will principally highlight the recent updates in their respective fields.

Eternal Heart Conclave (EHC) is an annual event to keep pace with the fast-evolving field of cardiology. Course Director Dr Sanjeev Sharma and Dr Jitendra Singh Makkar, under the guidance of Dr Samin Sharma and Dr Ajeet Bana, have designed this conclave to cover all topics of current relevance in clinical and interventional cardiology, which includes newer insights into cardiovascular disease prevention, hypertension, lipids, heart failure, acute coronary syndrome, anti-platelet therapy, valvular heart disease, complex coronary interventions, structural heart interventions, and electrophysiology.

We welcome you to this great scientific event of the year.
